Accessibility is Key

Accessibility is the new buzzword coming out of New York and concern for handicap access to meetings is a valid point. One can cross reference this list to the meeting schedule to see if the location is handicap accessible. CDU is the only one I know of that is full-on automatic doors. The rest are locations with a ramp and manageable thresholds.

IN THE SPOT LIGHT

How about that Heat? Is it hot enough for you?

Relax; God's in Charge. Fall will be on us soon. In the meantime let's enjoy the chili harvest, have some sweet corn at the annual group barbecue and enjoy ourselves. The big event season is upon us. The state convention is at the end of August, at a resort for a change!! One gets tired of the same old Denver domination so now we go west. Down here we have OcSober-fest and further south there is The Taos Mountain AA Fiesta. I proposed to my wife at the very first one of those and by mid November we were married; Thanks to an overzealous sponsor.

If you really want a road trip The Great Outdoor Beaver Meeting is in Beaver, Utah on Labor Day weekend!

You never know what will happen when Sober drunks get together for a good time. If you plan on attending the AA World Convention in Detroit next Summer you better get on the ball with those reservations. They are always booked way early.

The events here in Pueblo are marvelous opportunities for Service there is always need for people to work the hospitality room. One can Chair meetings and workshops, a great place to get in the middle of the fellowship

There is a meeting every Monday at the Pueblo county jail for male inmates, you must be cleared by the sheriffs office to attend. Please have one year or more of continuous sobriety before volunteering. If you are interested please contact me by email at the address on the other side of this sheet. You may also contact the Sheriffs department directly. Their contact person is Deputy Jeff Stout.
