## CSO Information and Assistance

It's with great sadness that I tell you the CSO was broken into last month. The criminal(s) got away with \$1582, the safe containing business documents, and a few other things. It was in the early morning hours so no volunteers were at risk. **The CSO could use a few extra donations this month.** The criminals broke the front and back doors and door jams. Chuck M. and Drew F. (a big thank you to both of you!) had to buy supplies and fix the office doors to secure the office quickly and these items will need to be permanently replaced. The CSO does have insurance; however, their timeframes don't reflect ours and we need to secure our property now.

**March Elections were March 2, the new Steering Committee members are:**

- Chairperson: Michael Wayne C.
- Vice Chairperson: Josh S.
- Office Manager: Kevin W.
- Secretary/Treasurer: Robin C.
- OI&T: Drew F.
- District 8 Rep: Tracy C.
- Newsletter: Julie J.

**The Promises** (From pages 83-84 of the Big Book of Alcoholics Anonymous) If we are painstaking about this phase of our development, we will be amazed before we are halfway through. We are going to know a new freedom and a new happiness. We will not regret the past nor wish to shut the door on it. We will comprehend the word serenity and we will know peace. No matter how far down the scale we have gone, we will see how our experience can benefit others. That feeling of uselessness and self-pity will disappear. We will lose interest in selfish things and gain interest in our fellows. Self-seeking will slip away. Our whole attitude and outlook on life will change. Fear of people and economic insecurity will leave us. We will intuitively know how to handle situations which used to baffle us. We will suddenly realize that God is doing for us what we could not do for ourselves. Are these extravagant promises? We think not. They are being fulfilled among us - sometimes quick-

### Meeting Guide App

Aa.org has an app available through the Google Play store and the Apple App store called Meeting Guide. I have the app and it has up to date information on meetings anywhere!. When I open the app it recognizes my location and immediately gives me a list of meetings in my area. It is a great tool when travelling too!
